

**AKAL COLLEGE OF NURSING,ETERNAL UNIVERSITY**  
**REPORT OF SATURDAY ACTIVITY**  
**WORLD ENVOIRNMENT DAY**

**Theme:** Reimagine, Recreate, Restore

**DATE:** 5/06/2021

**Timing:**3-5pm

**Venue:** IB building

**Activity:** Plantation

Every year 5<sup>th</sup> June is celebrated as the World Environmental day. This year the ACN team has decided to make it special by planting flowers and trees in the campus. So for the same, permission was taken from the authorities through proper channel. Gardener was contacted and informed by the organizing committee.

All the students, Gardener and faculty arrived at the venue at sharp 3 pm. The technique of planting was demonstrated by the gardener which was followed by the students. Number of plants wereplanted by students of B.Sc. Nursing students around the gate of IB school. Students were appreciated by the senior faculty. Trees are the true friends of the human beings and by plantation all of us felt alive and rejuvenated.

There are some pictures attached below that were taken during the activity.
