**Buddha Said “It is better to conquer yourself than to win a thousand battles. Then the victory is yours. It cannot be taken from you, not by angels or by demons, heaven or hell.”**

The Literary club has been founded to promote languages and literature. From time to time, the club organizes a rich and diverse array of literary activities such as debates, declamations, panel discussions, essay writing, quiz competition, etc. Through these activities our students reach out to language and literature lovers and try to create a space for sharing emotions and thoughts.
