Sant Attar Singh Ji

Sant Teja Singh Ji

The great visionary of 20th century (Sant Attar Singh Ji) had a vision that modern scientific education alone will not serve the humanity well, until and unless it is amalgamated with Brahm Vidya (Spiritual Education).

OUR MISSION

To establish permanent peace in the world through value based scientific education, spiritual rejuvenation and women empowerment.

"What is that can empower our nation ?
Obvious answer is Education.
Education enhances livelihood but also
education that is Value Based Education
that gives roots and gives wings as well"

*Our Vision - Baba Iqbal Singh Ji
(Chancellor)*

(Retired Director Agriculture, H.P.)

WINNER OF SIKH LIFETIME ACHIEVEMENT AWARD IN LONDON - 2012

A Discussion with Baba Iqbal Singh Ji, President of Kalgidhar Trust, India with Berkley Center.

The Berkley Center for Religion, Peace and World Affairs at Georgetown University, created within the office of the President in 2006, is dedicated to the interdisciplinary study of religion, ethics and public life. Through research, teaching and service, the center explores global challenges of democracy and human rights; economic and social development; internal diplomacy; and interreligious understanding.

*Please expand on **Values-Based Education** and what it means to you and your work?*

Broadly Speaking, There are three types of Education:

The first type focuses only on literacy without any moral content. I believe the merely literate person is the most egoistic and selfish because he is taught no moral values and thinks only about himself. Most Schools, Colleges and Universities around the world impart literacy and not Value-Based Education.

The second type of education is Value-Based where you combine literacy with moral, ethical and religious instructions is far more holistic. An individual who has gone through this type of scholastic career starts to think about the needs of others and begins to see himself connected to them and has a very broad outlook.

The third type of education is the spiritualized education with divine wisdom for which you have no need to go to any school, because the divine knowledge of the universe springs from within. None of the prophets or the founders of the great world religions went to any University to learn the lessons about the Divine. One only needs to delve into the scriptures of the great religions for this type of education.

Our organization combines spirituality with literacy (basic education) to impart Value-Based Education to students. As a result our students are free from drugs/substance abuse and the use of alcohol. They are thus able to focus their minds on study, sports, and the well-being of others around them. Value-Based Education is the real need of the day to produce good upright human beings, who can inspire others to tread on the divine path and serve mankind selflessly. The effects of Value-Based Education have been far reaching. Our students have helped reduce tension in their homes by counselling their own parents. In some cases, they have succeeded to keep their parents from divorcing. We are convinced that Value-Based Education is the best way to enable society to move forward and bring about sustainable development in the world. Through such education, we will be able to harness the energy of the youth and persuade them to work for the betterment of the world which is now in turmoil.

Dear Students and The Parents

The Eternal University, established by Act No. 3 of 2009 by the government of Himachal Pradesh, is one of the few universities in the world committed to value based higher scientific and technical education as per the visions of Sant Baba Attar Singh Ji and Sant Baba Teja Singh Ji effectively translated and implemented by Baba Iqbal Singh Ji under the Kalgidhar Trust in close collaboration with the network of about 130 CBSE affiliated Akal Academies for promoting rural education, women empowerment and universal brotherhood for eternal world peace. Situated at Baru Sahib in the Valley of Divine Peace, the Eternal University provides a unique, peaceful, social, spiritual, innovative and creative environment for comprehensive education and all round development of students in a home away from the worldly distractions. I am highly thankful to Baba Iqbal Singh Ji, former Director Agriculture, Himachal Pradesh, Chairman of Kalgidhar Trust and Chancellor of Eternal University for his kind blessings, guidance and support while treading the Eternal University to its path of academic excellence.

Quality education and research are crucial for ensuring social, economic and health security and over all development of India. Concerted efforts have been made to identify, support and promote basic and applied research to generate knowledge and technology in the strategic and emerging thrust areas and research gaps of India in general and Himachal Pradesh in particular by highly competent and dedicated faculty through multi-disciplinary teams across its six constituent colleges, international collaboration and institute- industry linkages. In addition to B. Sc.(Hons.) Agriculture, B. Tech. (Food Technology and Electronics and Electrical Engineering) and M. Tech. (Renewable Energy) have been introduced from the 2015-16 academic year. Research on bio-prospecting of medicinal plants and functional foods has been strengthened by establishing state of the art laboratory infrastructure through institutional, State and Central Government assistance.

The comprehensive course curriculums are continuously updated with major emphasis on vocational, and add-on courses besides on the campus training and certification, industrial visits, motivation and development of communication skills for their suitable industrial placement in India and abroad. We are committed to attract the best talent through motivation, merit scholarships, fellowships and tuition fee waivers and create conducive learning environment for value-based education in this unique residential and predominantly women student university. Our graduates are trained and transformed as the best citizens to adapt and thrive in the diverse and challenging global scenario and act as our ambassadors for promoting universal brotherhood and eternal peace. You are welcome to visit our campus and the website to explore your association with us for pursuit of knowledge and skills.

With best wishes

PRIVATE UNIVERSITY FOR VARIETY OF COURSES FOR GIRLS IN HIMACHAL PRADESH

Baba Iqbal Singh Ji
(Chancellor)

Dr. H.S. Dhaliwal
(Vice-Chancellor)

What Makes Eternal University the Top Private University for Variety of Course for Girls in Himachal Pradesh

Eternal University is the second oldest private university in Himachal Pradesh, which is home to 16 such universities.

Eternal University has utilized this early-starter advantage to effective use, by offering one of the largest portfolio of streams in the state.

Eternal University is home to many rare streams of study including Nursing, Renewable Energy, Agriculture, Food Technology & Music.

Eternal University is structured as 6 Colleges namely:- Akal College of Arts & Social Sciences, Akal College of Science & Technology, Akal College of Economics, Commerce & Managemnt, Akal College of Agriculture, Akal College of Health & Allied Sciences and Akal College of Education to impart education in 35 undergraduate and postgraduate courses. Located in the breathtaking Divine Valley Baru Sahib, in the lap of mighty Himalayas, this state private university was founded in 2008 by Baba Iqbal Singh Ji, who is also its Chancellor.

Over a hundred year ago in 1906, His Holiness Sant Attar Singh Ji Mastuane Wale had shared his Divine Vision with his spiritual follower Sant Teja Singh Ji MA, LLB, AM (Harvard) about a sacred place in the Himalayan region of erstwhile Nahan State (now known as Baru Sahib) where many sages and seers had meditated on the Divine Name . The place was also blessed by Shri Guru Gobind Singh Ji, during his visit to Nahan State. Sant Attar Singh Ji had desired that the place should be established as Spiritual Centre for the educational institutions imparting Value-Based Education combined with modern scientific education on the pattern of old Gurukuls like Nalanda and Taxila Universities of the past. As ordained, Sant Teja Singh Ji revealed the Divine Valley Baru Sahib in 1956 to his spiritual disciple Baba Iqbal Singh Ji and later purchased the entire Baru village of 460 acres from Thakur Joginder Singh, the owner of the land. Sant Teja Singh Ji visited Baru Sahib in 1959 at the age of 82 along with has many highly educated devotees. During his second visit to Baru Sahib a small mud structure Gurudwara with a verandah was constructed and Shri Guru Granth Sahib was ensconced. During the prayer he prophesied that with the will of God this place would turn into a great spiritual center from where schools, colleges and a divine University will impart Value-Based Education from Nursery class up to the Ph.D. level. Sant Teja Singh Ji established a trust in 1965 with his six devotees. It was registered as “The Kalgidharh Trust “ on October 22, 1982 by Baba Iqbal Singh ji, the then Director Agriculture, Himachal Pradesh, to promote World Peace Through Spiritual and Value-Based Education and Universal Brotherhood. To further the cause of The Kalgidhar Trust, the first Akal Academy was established at Baru Sahib in 1986 and the outstanding model has been translated to network of more than 130 Akal Academies and two Universities, the Eternal University, Baru Sahib and Akal University at Talwandi Sabo, Bathinda, Punjab.

Eternal University, Baru Sahib was established under the Himachal Pradesh Government Act No. 3 of 2009 to impart Values-Based Education in the subjects of Arts, Sciences, Nursing, Engineering and Technology, Agriculture, Divine Music, Education and Public Health etc. The Eternal University is a world class multi-faculty University with six colleges spread over 8,00,000 square feet in the picturesque Valley of Divine Peace. The university is developing outstanding Engineers, Scientists, Administrators, Teachers and Global Citizens with high moral values to act as messengers of Eternal Peace and Universal Brotherhood.

Akal College of Arts & Social Sciences

Akal College of Arts and Social Sciences was established to promote ideals as enunciated by our founder Saint, Sant Attar Singh Ji. He said, “Students must engage themselves in right earnest to the task of getting the required knowledge, both spiritual and worldly so as to become the messengers of peace and spiritual brother-hood; imbued with love and compassion they should serve the downtrodden and the neediest of the needy and thereby help in establishing permanent peace in the world”.

The Akal College of Arts and Social Sciences has two wings:

The first wing “Akal College of Divine Music & Spiritualism”, was established in 2008. It offers various courses in Music such as B.A. (Music) in Gurmat Sangeet, Music Instrumental (String Instruments) and in Tabla and M.A. (Music). The degree of M.A. (Music) is offered in two streams: i) Music Vocal and ii) Music Instrumental. Music Vocal is based on Indian Classical Music whereas some of its portions are based on Gurmat Sangeet. In Music Instrumental the following string instruments are taught: Sitar, Sarangi, Sarod, Violin, Rabab, Dilruba, Taus, Taar-Shehnai, Saranda etc.

Second wing ‘Akal College of Arts’ was established in 2009. The college offers a three years programme leading to Bachelor of Arts (B. A.) and a two years degree programme for M. A. in English. The main objective of the university in establishing this department was to build impressive linguistic capacities of students and also enable them to design models of interpretation and explanations through strategic thinking. The syllabi have been framed in such a way that students can equip themselves with knowledge of historical, literary and cultural dimensions of English and the works of Indian writers in English literature. Besides, they can identify passages in texts for case studies in soft/communicative/cognitive skills and may write papers for national and international journals transmitting existing information with clarity and brevity to convince others of the importance of effective communication.
