SATURDAY CLUB ACTIVITY

Activity: “Renewable Energy – Solar Plant Visit”

VISIT TO SOLAR PLANT

Date: 20 November 2021

Time:- 2:00 to 5:00 P.M

Venue:- Solar Field, Baru Sahib

Number of Participants : Total 175

: Nursing Students : 161

: Faculty : 14

Objectives of the Activity :-

- To give first-hand experience with Renewable Energy – Solar Plant.
- To enhance the knowledge regarding Solar Plants.
- To improve the Group interaction and confidence among each other.
- To boost the self confidence in extracurricular activities.

The students had real fun time on their visit to the Solar Plant at Bagroti, Baru Sahib. The nature walk broaden their knowledge and they took a deep breathe and were told about how we all inhale oxygen (good air) and exhale carbon dioxide (bad air), While on the other hand, inhale carbon dioxide and exhale oxygen. therefore it is good for us to be in the midst of greenery often.

Mr. Manoj, in-charge of Solar Plant, Baru Sahib explained in brief about the renewable energy resources. Barusahib has maintained a unique position for itself in the field of renewable energy resources by pioneering in solar energy in Simaur District, HP The visit commenced with a technical session which provided an opportunity for the students to experience an interactive learning to broaden their outlook on effective utilization of the Renewable energy resources for power generation.
